

Qualifying for the Tournament of Champions

1. To participate in the competition to qualify for the Tournament of Champions (TOC), you must be an Active paid member of the Sonoma County Belly Boat Bass Club (SCBBBC) and have fished at least 8 season tournaments. Dues for the season are \$60.00. Dues for anglers under the age of 16 for the 2006 season are \$50.00. You must also be a paid Active member of the Bass Anglers Sportsmen Society (BASS) to qualify for membership in the SCBBBC.

2. Participants in tournaments will accumulate points as follows:

A. The winner of each Tournament, as determined by the highest weight of bass brought to weigh-in, will be awarded 50 points. The second place finisher will earn 49 points, the third place finisher 48 points, and so on until all those weighing-in legal-sized bass have earned points.

B. All those who participated in the Tournament and who have not weighed-in legal size bass will earn the same number of points earned by the participant weighing in the least amount of weight for the day, less 10 points.

C. Point standings for a given Tournament will be determined irrespective of Active membership in the SCBBBC.

D. Participants in Team tournaments will also earn points following the same pattern as outlined above for individual Tournaments. However, both members of the 1st place team will earn 50 points, both members of the 2nd place team will earn 48 points, both members of the 3rd place team will earn 46 points, and so on until all teams weighing-in legal-sized bass have earned points. E. Those who have signed up for participation in Team Tournaments but who cancel within 48 hours of the event shall be subject to a 2-point penalty.

3. A participant may fish in one Tournament and accumulate points for TOC qualification without being a member of the SCBBBC. Non-members will lose these points as if they did not fish in any Tournament if they do not join the SCBBBC by the blast-off time of the next Tournament they fish.
